Christianity Explored

Rico Tice & Barry Cooper

Christianity Explored is a short, informal course designed to 'let the Gospel tell the gospel'. As Mark's Gospel is opened and explored, Jesus walks off the pages of Scripture – and powerfully into people's lives. Christianity Explored helps people answer three questions that cut to the heart of Christianity: Who is Jesus? Why did he come? and what does he demand of those who want to follow him? The award winning two-set DVD contains 14 Bible talks with on screen Bible text.
